Buckets Performance Center continues to be available to help senior hoopsters polish their shooting skills. Buckets has 3 auto-feed shooting machines that are available for your high repetition shooting sessions. Machines can be set to work on stationary catch and shoot or to move back and forth to set locations to work on catch and shoot on the move. Trainer Terrance Florence is available to give you tips to adjust your shot mechanics if desired. Terrance has set up a special block of times that are available to senior players. The open times are Monday - Thursday 10:00-12:30. Other times can be arranged by special appointment. Sessions are \$30. You can set an appointment by going to the website www.bucketsperformancecenter.com and clicking on the Senior Shooter tab. Several CSBL players currently use the facility.

Some people have no idea what they're doing, and a lot of them are really good at it.

Meet the Rookie Bob Hope

Meet the Rookie extends a hearty welcome to Bob Hope to the Albany division in our last rookie feature article this season. Bob, 66, joined the CSBL many, many years ago at the age of 50 and has been a stalwart member for these long years except for a 2 year hiatus from 2021-2023. This season Bob has made the move to the Albany division where he has been a key member of the division leading Coldwell Banker squad. It's common knowledge that it is Bob, not that other guy, who makes Coldwell a championship contender! Bob calls upon all of his offensive lineman and linebacker skills to do the dirty work in the trenches that makes that team go.

Bob is a local boy, born and raised in Troy. He attended Catholic Central where he trod the gridiron as an offensive lineman. He took his football skills on to Siena College where he played linebacker for the Saints. When not on the gridiron, he worked on his BA in accounting before moving on to obtain an MBA from University of Albany. He has worked as a Broker for 40 years with the last 30 years at Key Bank Investments. Bob handles a lot of personal retirement accounts .

Bob has 3 children. His oldest daughter and her husband are both chiropractors. They live with their 3 daughters and practice their craft in Singapore. Bob has trekked that 19 1/2 hour flight from Newark to Singapore to 9 times. Rack up those frequent flyer miles. Daughter #2 is married and has a baby and lives in Myrtle Beach where she works in the school system. His son is also a chiropractor who lives in Denver. Guess they are a well adjusted family.

Bob spends his free time playing basketball, working out, and traveling to those attractive destinations to visit his children. Welcome to the Big Time Bob
