Sixth Man Award

This is year 3 of the CSBL Sixth Man Award. The Sixth Man is a player who generally does not start but who comes off the bench and makes a vital contribution to his team's success. A Sixth Man is a player who can provide instant offense, high energy, and/or intense defense. The Sixth Man typically plays a lot of minutes and gives his team a spark and a boost. Team captains in each division vote to select the winner. This year's winners are Sal Villa of Maccio PT in the Albany division and Dave Bass of 21 BOOM in the Colonie division. Congratulations.
